## 2017 Hive Count Form

---

For administrative and economic reasons, the Kentucky Department of Agriculture (KDA) will collect information on beekeepers and hives within the Commonwealth in accordance with state law. To do this, the KDA needs an inventory of beekeepers and hive counts by county. Please include the following:

- Name of club
- Beekeeper name
- Type of beekeeper (queen producer, hobbyist, sideliner, honey producer, pollination, top bar hive, nuc producer):
- County
- Number of losses from 2017 winter months Jan.-March:
- Total colonies as of June 01, 2017:

General definitions: Hobbyist, 1-30 hives; Sideliner, 30-99; Commercial, over 100 hives

Your help is greatly appreciated in this manner. Please email, fax, or mail this form to the address/number listed below. Thank you for your assistance.
