

**VOLUNTARY SURRENDER OF ORGANIC
 CERTIFICATION**

Instructions: *Please sign and return this page to voluntarily surrender your organic certification, or a portion thereof (e.g., crop, livestock, wild crop, and/or handling scope(s)) in accordance with the National Organic Program Rule §204.404(c) – “Once certified, a production or handling operation’s organic certification continues in effect until voluntarily surrendered by the organic operation or suspended or revoked by the certifying agent, the State organic program’s governing State office, or the Administrator.”*

Name:		Organic Certificate #	
Operation Name:		Phone Number:	
Scope(s) to be Surrendered:	<input type="checkbox"/> ALL <input type="checkbox"/> CROPS <input type="checkbox"/> LIVESTOCK <input type="checkbox"/> WILD CROP <input type="checkbox"/> HANDLING		
Reason for Surrender: (Optional)			

By signing below, I voluntarily surrender my organic certification with the Kentucky Department of Agriculture in the scope(s) indicated. I understand my surrender is effective immediately and that by surrendering my organic certification with KDA in the indicated scope(s) I may not sell, label, or represent product – including any stored product produced while certified organic – as organic or represent my operation as certified organic with respect to the surrendered scope(s). I further understand I am able to apply for organic certification at any time in the future through KDA or another USDA National Organic Program accredited certifier.
