

Livestock Show SUNSHINE CLASS

AUGUST 22, 2024

The Sunshine Class offers an opportunity for individuals with special needs to partner with a trained mentor to show livestock in a show ring at the 2024 Kentucky State Fair.

The program provides the opportunity for special needs youth to get hands on experience with parts of the agriculture industry.

Open to special needs kids of all ages.

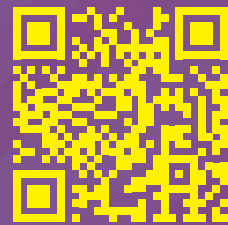

Show ring handicap accessible for all needs.

Youth are paired with trained livestock exhibitor for entire duration of livestock show.

No experience needed.

For more information and to register, scan the QR code with your mobile smart device.
